PRESIDENT'S MESSAGE

There are four significant facts about the graduating classes of colleges this year.

1. We are told by those who have the figures in hand that there will be more graduating from colleges this year than in any previous year in the known history of the world. During the past five years the enrollment in colleges reached the peak. The demand is greater for college trained men and women this year than at any previous time.

2. We have the largest percentage of women in the senior classes this year in recorded history. In the year 1900 it was not thought highly important that women go to college. They were expected to marry and rear families. In fact, that was about the only occupation open to them. From the graduating class of 1950 thousands of women will continue their studies toward advanced degrees. Many technicians will be trained. This is a part of the changing educational scene.

3. The year will see the best trained group that has ever gone from our colleges. They will face a world demanding a high degree of technical knowledge, a broader understanding of social problems, and a more tolerant attitude toward racial differences.

4. This year's class will face a world conscious of the need for men and women of strong, well balanced characters.

Did ever such a challenge face a generation of college graduates? The question which we of the Administration face is this: Has Trinity University made the contribution to your development that will equip you to take your places in the world as you find it? If so, we shall have fulfilled the highest mission of a Christian College. While we bid you adieu, we shall follow you with pride as you make your contribution to a world which seems to have lost direction in so many ways.

Speaker of Legislative Assembly	Harold Henke

Student council members represent an important part of student government power. Composed of Student Body officers, the speaker of the Legislative Assembly, and the four Class Presidents, this group serves as the official administrative body of the Associated Students.

They have accomplished successfully many things, but whether major or trivial, they have worked for a better, happier, and greater Trinity.

STUDENT COURT

First Row (left to right): Betsy Gidley, Ray Peckham, Mary Verner
Second Row (left to right): Henry Harren, Bill Michaelis, Don Dreyer, Ross Eaton

Chief Justice . . . . Ray Peckham

In the second year of its existence, the Student Court has successfully proved its worth as a democratic part of the student government. It has made decisions in all cases concerning students. Judges are appointed by the Student Council and, after investigation, approved by the Legislative Assembly. Four judges are chosen from the Senior class, two from the Junior class, and one from the Sophomore class. A cross section of the student body, they represent various departments and organizations, enabling them to act more wisely.

Telephone Chairmen	Jo Ann Phillips, Mary Parramore

In the fall of 1946 a student Forum was organized at Trinity University for the discussion of public affairs. Because of its vitality, this Forum immediately won public attention and was offered radio time by two broadcasting companies in San Antonio. The Forum accepted the bid of the Mutual stations, KMAC-KISS, and has been a sustaining feature of that station for a weekly one-hour broadcast for four seasons.

The Forum is promoted on the Trinity University campus by a student committee. The business of this committee is to gain the cooperation of student groups, to secure topics for youth broadcasts, and to provide the major help in the production of the Forum on the campus. An invaluable service of this committee is to operate the switch-board, act as host, student announcers, and to type the telephone questions during the broadcasts.

Friendship, cooperation, and general enjoyment are the key words to life in Mary Catherine Hall. The various pajama parties with their strange but interesting programs, the occasional door slamming episodes, the regular trips to the basement for candy and cokes, the wails of those who are campused, the room parties during study hours—all these things have combined to make life in Mary Catherine Hall eventful and happy.

In addition to such gala occasions were the Hallowe'en party and the Christmas caroling party for the dorm boys, the formal Christmas tea in honor of faculty and friends and the Open House, annual events which find prominence on its social calendar.

The Town Club, which forms a median that enables non-resident students to meet, have fun, and become more closely organized, is considered and most influential clubs on the campus. Spicing this year's activities with a picnic, a hay-ride, and a "Sox Hop," the Town Club has also fulfilled its purpose to promote friendship among the students, to support campus activities, and to sponsor affairs for its members and friends.

Under the able sponsorship of Mrs. William C. McGavock and Robert K. Winn, the Town Club will complete its agenda of social activities with the presentation of the annual coronation of the King and Queen of Tigerland, one of the oldest Traditions of Trinity.

The Student Christian Association outlines its purpose in a phrase: "To develop true fellowship, to enlarge and to broaden the functions of the student mind, and to grow in the Christian spirit of love for God and Man." The SCA works hand in hand with the Christian Service Fellowship to promote the religious life of the campus through recreational and social activities.

This Association has two meetings each month—a meeting in the evening for a program or a social and a business meeting in the afternoon. The World Student Service Fund is one of the principal functions of the organization as is also working with the CSF for Spiritual Emphasis Week.

The members enjoy learning, understanding, and sharing together the problems of the Christian citizen in the world today, and they have a bond of fellowship not only in their own group but also with the students of other colleges.

Well, another year is gone, and the Mirage staff puts the cover on their borrowed typewriter, peels the rubber cement off their borrowed chairs, returns the pencils, roster, directory and handbooks donated by poor sainted Mac, and gives the much-sought-after paper cutter back to the Trinitonian staff. All is quiet in the "hut" again. The group of wide-eyed students who coped with picture-taking, engraving deadlines, proportional scales, copy, and 6-point type return to their chosen fields—geology, education, business, and art. But never will one of them forget the hilarious time they had when they—completely inexperienced—stepped into an exacting business and turned out a creditable job.

The 1949-50 Trinitonian Staff has once more closed the door to the Press Hut and signed —30— to the 48th year of publication of the Trinitonian. Under the guiding hand of Madison McCutchen, the editor, the Staff has placed the Trinitonian with the top college newspapers in the United States. For the 5th consecutive year, the Trinitonian was awarded the Medalist Award by the Columbia University Scholastic Press Association.

The never-ceasing clacking of the typewriters, the weary hours of proof-reading, and that last minute covering of an important story—all these are finished, and the Trinitonian office is quiet once again. Mac and his staff can now view with pride the year of faithful service the Trinitonian has given to the University and to the students.

VARSITY FOOTBALL

When the Tigers downed Sull Ross

Left to right: Ed Pendleton, Babs Phillips, Billy Masters, Frances Pearce, Ray Perner, Frances Southall

Injury ridden throughout the season, the Trinity Tigers nevertheless managed to make a fair record for themselves during the 1949 Gridiron season. Trinity finished the season with a 52-6 bowl victory in Mexico City after a regular season record of four wins, six losses and one tie.

Oklahoma City U., Sul Ross, Corpus Christi U. and Howard Payne, all good ball clubs, fell before the Tigers while East Texas State was played to a scoreless deadlock by the Trinity eleven. The defeats were at the hands of West Texas, North Texas, Southwest Texas, the University of Houston, Hardin-Simmons, and Midwestern University. Several of these losses were close, and if the injury jinx hadn't struck quite so hard, Trinity would have won at least two of the lost games.

Backs Heineman, Falkenberg, Hauch, Mattson, Leverman, and Watt were the Tiger big guns, although the latter three were around for only part of the season. On the line, Meador, Wendell, Chamblis, Carter, Collie, Meyer, Schultz, Robinson, Jobson, Glasser, Schrader, Mercier and Curtis were outstanding. These boys and their team mates performed against the big teams with courage and drive, and shouldn't have any regrets. The students will remember them as "our team"—The Trinity Tigers of 1949.

HOUSTON, TEX., NOV. 19—The Trinity Tigers lost a tough 28-21 decision to the University of Houston Cougers here today. The Tigers held a 21-0 lead in the second period and a 21-7 half-time lead. Injury after injury weakened the Trinity eleven, and the aggressive Cougers went on to win. Three Tigers were hospitalized with head injuries. The Tiger air attack was the Trinity strong point as all three touchdowns were either scored or set up by passes.

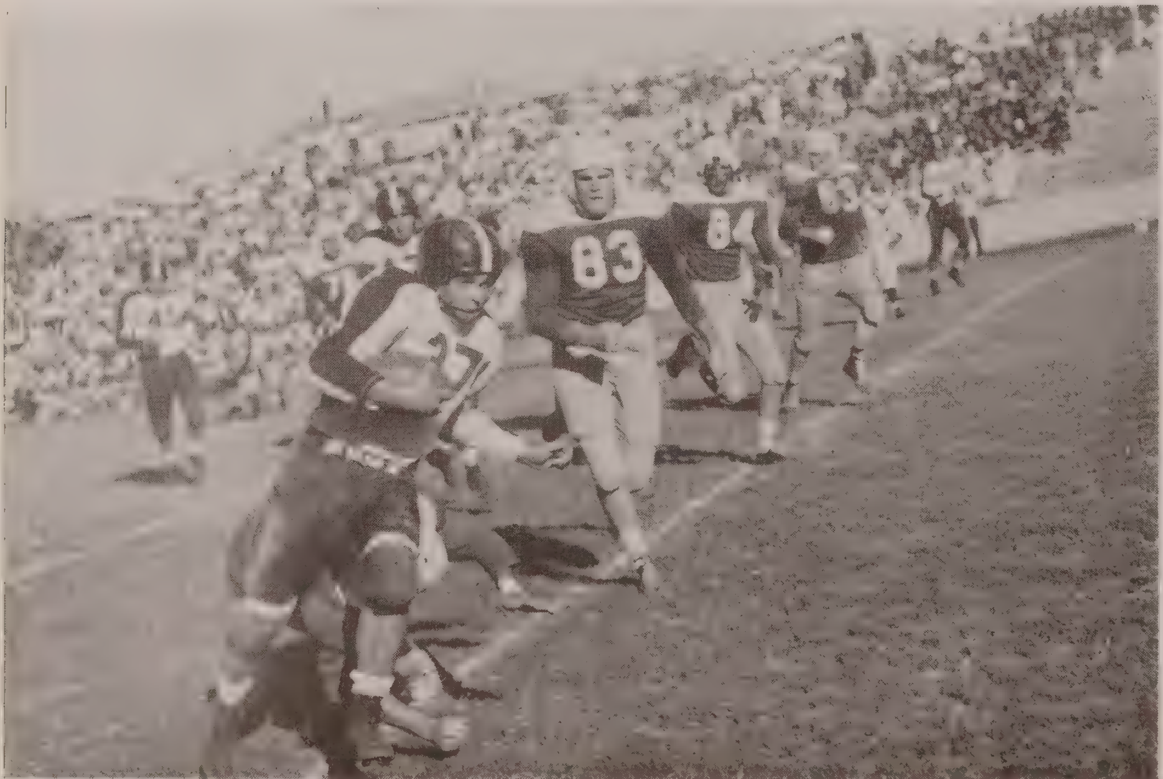
Herb on his famous end around.

ALAMO STADIUM, NOV. 5.—The Tigers lost a 32-21 contest to the North Texas State Eagles after a hard battle. The Tigers, playing without several stars, led at the end of the third period 21-20. The numerous Eagle reserves finally wore Trinity down.

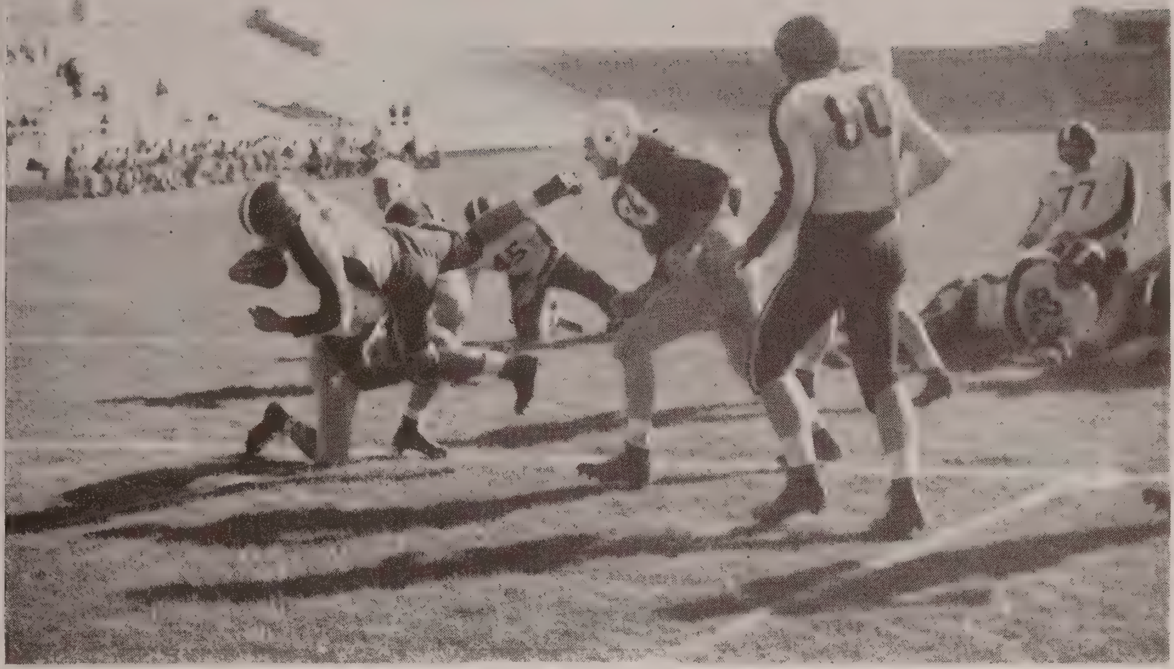
ALAMO STADIUM, OCT. 29.—An injury-ridden band of Trinity Tigers defeated Howard-Payne 21-13 in a non-conference game. Falkenberg, Jobson, Curtis and Meyer played outstanding games as did all of the Tigers who played.

CANYON, TEXAS, OCT. 15.—The West Texas Buffaloes defeated a game Trinity eleven 55-20 here this afternoon. Hauch, Falkenberg and Leverman scored T. U. T. D.'s while Curtis kicked the points. The higher altitude, and Trinity's long bus ride aided the Buff's cause.

Hauch leading the parade.



ALAMO STADIUM, OCT. 15.—The Bengal Gridsters defeated Sul Ross 20-14 this afternoon, to mark the first time since three years that any team has beat the Lobos. Still crippled, the Tigers were relying on their reserves, who came through. Daniel, Hauch, and Falkenberg paced the backs on offence while the entire line and the backs all formed the defense. The block by Urbanowich on a giant Lobo ball carrier was outstanding. Charlie suffered a brain concussion on this play in preventing a sure Sul Ross score.



Hauch for a T. D.

ALAMO STADIUM, SEPT. 17 —The Trinity Tigers opened the 1949 season with a 24-7 victory over the Corpus Christi University Tarpons. Making it tighter than the score indicates, the Tarpons put up a good scrap and led 7-6 early in the third period. Backs Watt and Mattson each scored once while Leverman crossed the goal twice. The Tiger linemen and other backs blocked and tackled fiercely and showed good early season form.

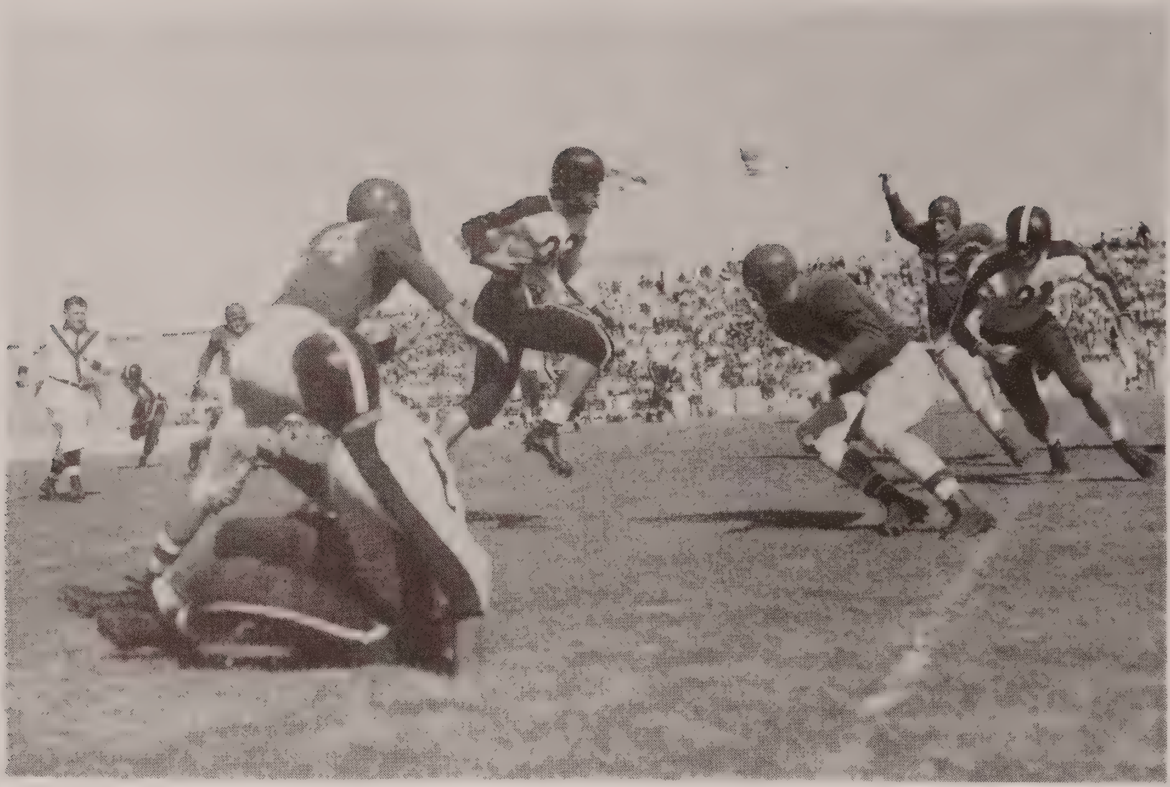
COMMERCE, TEX., NOV. 12. —By tying the East Texas Lions 0-0 here this afternoon, the Trinity Tigers upset the dope bucket. Great defensive play by Curtis, Schultze, Jobson, Meyer, and the rest of the team kept the powerful Lions from their goal.

ALAMO STADIUM, DEC. 3.—After taking an early lead, the Trinity Tigers crumpled before the Hardin-Simmons terrific ground and aerial attacks 66-13. Mattson scored twice for Trinity.

WICHITA FALLLS, TEXAS, Nov. 24.—The Hardin College Indians (now Midwestern U.) whacked the crippled Tigers 52-0 before a large Thanksgiving day crowd. Being away from home and playing the Gulf Coast Champions with key men out helped Trinity very little.

A Key Block.

MEXICO CITY, MEX., DEC. 15.—The annual Shrine Silver Bowl game saw the Trinity squad take a 52-6 tilt from the Mexican All-Stars before 40,000 fans. In top shape for the first time since early season, the entire team played great ball with Falkenberg, Mattson,, Leverman, and Hauch leading the touchdown parade. The Bowl game was sponsored by the Shrine and the proceeds went to crippled children. The Bengal gridsters proved themselves as goodwill ambassadors as well as good football players.



Levermann highstepping down the field

OKLAHOMA CITY, OKLA., OCT. 8.—Mauling the Oklahoma City Chiefs 18-0, the Trinity Tigers displayed teamwork. The great running of Levermann and Mattson accounted for the scores and most of the yardage. The Tiger line held the Chiefs in check all evening.

SAN MARCOS, TEX., SEPT. 24—The Trinity Tigers dropped a 20-6 decision to Southwest Texas here tonight. A combination of bad breaks and lack of precision kept the tigers to Levermann's lone touchdown and allowed the fired-up Bobcats to score thrice.

VARSITY BASKETBALL

The 1950 Tiger basketeers played the Trinity colors into the best record a Tiger team has ever had. Winning 14 out of 25 games including victories over Texas Tech, Hardin-Simmons, Midwestern, North Texas and two decisions over St. Mary's University. Four Tiger losses came at the hands of the Texas University, Texas A & M, West Texas and Texas Wesleyan fives, all tough opponents in anybody's league.

Eddie Recko was third high high-scorer in the state with 409 points, while Pete Murphy made the all-Gulf Coast team. Recko and Buck Kackiela were placed on the second five.

With a small, but potent team, Trinity University captured its share of the track honors. Howard Johnston, star miler, Francis Meyer, stellar shot-putter who broke the Border Olympic record, and handymen Herb Falkenberg and Chick Womack led the squad of twelve cinder-pounders. The conference track meet had yet to be held in Denton as the annual went to press. The charges of coach Lloyd Parker were looking forward to placing high in the scheduled meets not yet run. The team placed 2nd in the Triangular meet held at Kingsville. Trinity furnished the three top men of the day with Falkenburg 17 points, Womack 11½ points and Johnston 10.

The Intramural Council plans and supervises such intramural sports programs as football, softball, track, tennis, volleyball, swimming, badminton, and basketball. Under the sponsorship of hard-working Wib Richarz, council members directed the intramural program during the past very successful year.

Track—Volleyball—Swimming—Softball—At this writing these sports were a thing of the future, but were definitely being planned. The prospects were bright for large numbers of participants, and a successful program.

The Question Marks won the league championship over a fighting league of competitors. The Bloomer Girls turned in the most inspiring performance, however, as they held the champion Marks to a 26-0 victory with only six men against nine. All in all the competition was keen. The Question Marks also won the all-star game 13-0, thus proving themselves champions.

INTRAMURAL BASKETBALL

A marauding band of "River Rats," made up of members from the athletic dorm, turned the league upside-down and emerged victorious. Other teams, such as the Hashslingers, Tramps and Question Marks were also very high in the fight. The basketball program was successful, because everyone had fun whether they won or lost.

Our Guarantee to You

. . . SATISFACTION
or Your Money Back

You can't lose at Sears.

In the first place, all Sears merchandise is FIRST QUALITY. It is made to the rigid specification of our own engineers, metallurgists, chemists, designers, stylists and long-experienced merchandising specialists. Sears goods are triple-tested . . . in our own great modern LABORATORY — where merchandise must prove its strength or confess its weakness— in FACTORIES, where our specifications must be met, and in the Field, under actual "in-use" conditions.

You would think that all this would be enough—but it doesn't satisfy Sears. Sears merchandise is designed by human brains, and made by human hands. Nothing human is infallible. So, just on the long chance that something might slip through, we say to you in all sincerity and good faith: "If anything doesn't make good—SEARS WILL!"

It is this pledge that has won the confidence of America, and held it through 62 years of historic selling. It is this pledge that sends millions of Americans back to Sears again and again every year—they know they are getting FIRST QUALITY, for perhaps no more than they might have to pay for "seconds", and that Sears will cheerfully and promptly refund their money, if they don't get complete satisfaction.

And that's exactly what we mean when we sign our advertising with—

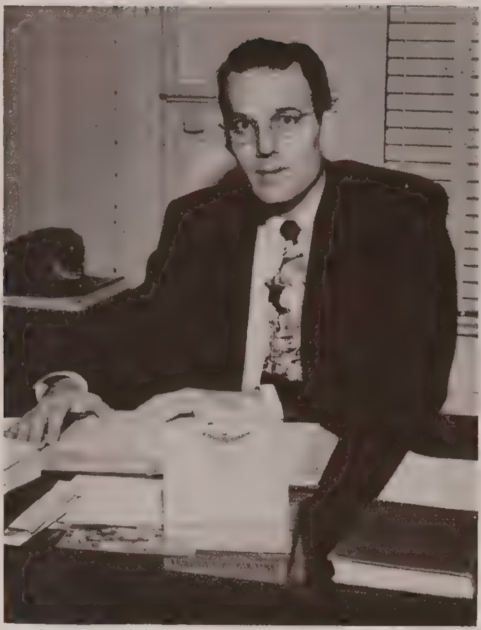
SPIRITUAL LIFE



Dr. Carlton C. Allen

The spiritual life of the campus of Trinity University for the year 1949 and 1950 has been rich and full. The Department of Religion in addition to its required courses has drawn an increasing number of students to its elective and to its major.

Chapel has been well attended and an interesting series of speakers from the campus and from outside churches has filled the pulpit on each Thursday morning.

Many students make a regular habit of attending and participating in the Upper Room services each morning at 7:40. This brief devotional has become a vital meaningful part of the campus life.

Spiritual Emphasis Week was declared by all to be one of the best weeks of the year. In addition to the Rev. Robert Boshen, D. D., and the Rev. Charles Dickey, our speakers; over 100 students and faculty members participated in the planning and the operation of this week. Many departments of the University, such as the music, art, and drama, were drawn into the work of this week. The work of organizing the many functions

Morning chapel services led by Dr. Boshen were fully attended each day. Dr. Boshen led as his talk a series of popular treatments of theological themes. Students majoring in Religious Education provided appropriate worship centers and decorations for each days chapel service.

Informal evening services in the lounge led by Rev. Dickey were crowded to capacity each evening. Rev. Dickey took us on a "spiritual quest" with significance to personal faith. Social clubs on the campus provided the refreshments for the social hour and discussions that followed each meeting. On Friday evening the two speakers met the entire faculty for an open discussion of the task of Trinity as a Christian College.

of the week was done under the supervision of the Committee of Religious Life and Work, consisting of the members of the Department of Religion plus students and faculty members from groups and other departments specifically interested in the spiritual life of the campus. Pictured below are some of the meetings and conferences held throughout Spiritual Emphasis Week. These pictures will recall much of the significance and interest to students and faculty alike.

Dr. Carlton Allen, Dr. Star Heimsath, Dr. Paul J. Schwab, Mrs. Blanche Robertson, Mr. Frank Neff.

"Coke" sessions were held in the lounge of the Upper Room each afternoon at 4:00 in which specific groups such as the Student Council, Student Court, Student Assembly, S. C. A. and C. S. F. met in intimate conversation with the speakers.

Each night at 9:00 p. m. the two regular speakers plus various members of the faculty met in informal sessions with groups in the five dormitory units. Problems which had arisen since the days sermon or from other situations were discussed and thrashed out in these informal moments.

Combined departments of science staged their annual St. Patrick's Day "open house" on Friday March 17 at 8 p.m. Students and faculty members of chemistry, physics, mathematics, biology, geology and home economics collaborated to present scientific demonstrations to the student body and San Antonio public. This year's "open house" drew the largest crowd in the history of its existence.

Congratulations to the CLASS OF '50!

Graduation Day marks an important milestone in your progress toward your chosen career — a step forward in which we, as well as you take pride.
